Documents

```
graph TD; A[/Customer Documents/] --> B[User can view it's Dashboard  
apply for loan];
```

A flowchart with two main components. The top component is a parallelogram-shaped box containing the text "Customer Documents". A horizontal line extends from the right side of this box. A vertical arrow points downwards from the bottom center of the "Customer Documents" box to the top center of a larger rectangular box below it. The rectangular box contains the text "User can view it's Dashboard" and "apply for loan" on two lines.

User can view it's Dashboard  
apply for loan
